Dear Sirs

**RE: Proposed Horse Exerciser – Mr John Renwick (REF: PP-005422855)
New Lodge Farm, Tolleshunt Major, Maldon**

I refer to the previously issued planning application forms for the proposed erection of the horse exerciser at our client's farm. The application forms have been submitted by the Planning Portal internet service and I enclose a copy of the acknowledgement form in respect of the application. Please note the payment totalling £335 will be issued by separate cover.

National Government, through PPS7, recognise the importance of horse riding and other equestrian activities as being popular forms of recreation in the countryside that can fit in well with farming activities and help to diversify rural economies. Therefore, we trust that Maldon District Council will support this proposal. As you are aware New Lodge Farm is being developed as a top quality horse breeding centre and it should be also recognised horse training and breeding businesses play an important economic role. The proposed horse exerciser will form an integral and important aspect of the development of this horse breeding centre.

I trust this is satisfactory and if you require further information please do not hesitate to contact us.

Yours faithfully
