FUL/MAL/05/00174. Demolition of existing building, construction of a private drive, five detached houses and double garges. The Gables, Roberts Road, North Fambridge.

North Fambridge Parish Council have no objections to the above plans, however we would like to once again voice our concerns about the pressure these houses would place on our sewage system and to ask you to ensure that they are not in a flood risk area.

**Ann Cutting**

**Parish Clerk**

**North Fambridge Parish Council**
